

SWESIF invites to seminar, November 22, 2010:

Trends and development within SRI from a European perspective

An open seminar with Matt Christensen, Executive Director of EUROSIF, in connection to the first Nordic SIF board meeting in Stockholm.

The boards of the Nordic countries will meet in Stockholm with the purpose of sharing ideas and experiences and discussing strategies and areas of co-operation. After this meeting SWESIF invites everyone to an open seminar with Matt Christensen, Director of Eurosif.

Matt will talk about the trends and development within SRI from European perspective. He will share EU-level discussions, lobbying investor initiatives and also share his view of the difference between Europe vs. the Nordic region.
