

SWESIF bjuder in till seminarium den 20 december, 2010

Economic Implications of CSR and Responsible Investments

An open breakfast seminar with Cristiana Manescu, a researcher funded by SIRP and Mistra.

Listen to Cristiana Manescu who recently defended her doctoral thesis "Economic Implications of CSR and Responsible Investments". Cristiana Manescu will talk about the impact of CSR on financial performance and the premium for CSR activities. She will also introduce a tool suitable for aggregating various CSR scores into a meaningful CSR performance index. Cristiana Manescu currently works for the European Central Bank in Frankfurt.
