NBIM TALK CORPORATE SUSTAINABILITY REPORTING

Richard Barker

Professor of Accounting and Associate Dean of Faculty, Saïd Business School

An expert in financial reporting, Richard is the academic member of the Corporate Reporting Council, which sets UK accounting standards. He is currently researching issues of natural capital accounting, business responsibility and sustainability, and institutional structures for the regulation of 'non-financial' corporate reporting.

Richard also serves on the Financial Reporting Advisory Board, and on the Expert Panel of Accounting for Sustainability.

Richard has an undergraduate degree from Oxford and graduate degrees from Cambridge. He has previously held positions including Research Fellow at the International Accounting Standards Board (IASB), Chair of the Audit Committee of Cambridge University Press, and Director of the Cambridge MBA and of the Oxford MBA.

Saori Dubourg

Member of the Board of Executive Directors, BASF SE

Saori Dubourg is responsible for BASF's global businesses in Agricultural Solutions, Nutrition & Health, and Care Chemicals.

Furthermore, she oversees the region Europe, the startup trinamiX, and the BASF Corporate Sustainability Board. Saori Dubourg is also member of the German Council for Sustainable Development, which advises the Federal Government on the implementation of the sustainability strategy.

Saori leads the steering committee of the Value Balancing Alliance. Together with major partners, the alliance aims to create a standardized model for measuring and disclosing the environmental, human, social and financial value companies provide to society.

NORGES BANK
INVESTMENT MANAGEMENT

Carine Smith Ihenacho

Chief Governance and Compliance Officer, Norges Bank Investment Management

Carine Smith Ihenacho is responsible for the governance and compliance area, which includes ownership and responsible investment activities, control and operational risk, compliance and legal services. She has led Norges Bank's work on responsible investment since 2017.

Prior to joining Norges Bank Investment Management, Carine was Vice President Legal and Chief Compliance Officer in Statoil ASA. She has more than 20 years' experience as a lawyer, working in both financials and the oil and gas industry, as well as in law firms. She also has extensive board experience.

Carine holds a law degree from the University of Oslo, a Master of Law from Harvard Law School and a Master of Economics from the Norwegian School of Economics (NHH).

Wilhelm Mohn

Head of Sustainability, Corporate Governance Norges Bank Investment Management

Wilhelm leads a team of topical experts and is responsible for NBIM's ownership principles and activities pertaining to sustainability. In 2020, NBIM published asset manager perspectives and a position paper on corporate sustainability reporting.

Wilhelm joined NBIM in 2014. Previously, Wilhelm has worked at the Norwegian Ministry of Finance in its Asset Management Department and held managerial and analyst positions at Storebrand ASA.

Wilhelm is a member of SASB's Investor Advisory Group, the GRI Advisory Group, the TPI's Steering Group and the International Advisory Group of Shift's 'Valuing Respect Project. Wilhelm has an MPhil in Economics from the University of Oxford, and a BA (Hons) in Economics and Geography from the University of Exeter.
